

Catch the WAVE

March, Issue 2

Dear District 129 Staff,

I am writing in an effort to keep you updated on WAVE's actions as we work towards the successful passage of the April 17th referendum.

IMPORTANT DATES REMINDER:

☞ March 12th - FACTS FORUM at Herget Middle School at 7:00 p.m.

Dr. Rydland is hosting this forum to answer questions that parents and other community members may have about the Operating Rate increase.

☞ March 14th - School Leadership Rally at Luigi's Pizza at 7:00 p.m.

WAVE is hosting a rally to kick-off many efforts of this campaign. We will share plans for phone calling and door belling. In addition, we will distribute yard signs at this time.

YOU WILL BE CONTACTED:

If you have agreed to write an endorsement, assist with phone calling or door belling, or place a sign in your yard, you will be contacted soon. We are gearing up to begin our most visible "Get Out the Vote" efforts. We thank those of you who have already volunteered. If you are still interested in assisting us, you can do so easily at: www.wave129.org/joinus.htm, or contact me at dnardone@wave129.org or at (312) 296-2532. If you still wish to make a monetary contribution, please mail that to WAVE at 2112 West Galena Blvd, Suite 8317, Aurora, IL, 60506.

STUDENT CONTACT

Members of WAVE were on hand during the lunch periods at the High School on Tuesday. Many interested students came in to get questions about the referendum answered. The kids had fantastic questions! In addition, the students wanted to know what they could do to support WAVE's campaign. We'll keep you posted on the efforts of the students at the high school!

In another effort to reach students, WAVE will be sending a letter to all seniors about this important ballot question. We feel it is important that the students are aware of this referendum and give them an opportunity to get their questions answered.

Thank you for your time and commitment. Together, we can ensure the tradition of excellence continues for the students, staff, and community of District 129!

Warmest Regards,

Debbie Nardone
WAVE Chairperson
